

Exhibition: *Le temps s'égraine*

### Artwork Submission Information

The association Couleur Garance is organizing **Dyes (5<sup>th</sup> Edition), on the 11<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup> of October 2013.**

This event is an opportunity to connect everyone working with plant colours (artists, artisans, farmers, industrialists, researchers, students, associations...). As part of this event, we are organizing a collective exhibition of works of art and we are asking for applications. The works should be on the following theme:

*Le temps s'égraine... "time is passing " (seeding in the literal French translation).*

Here are the details concerning the exhibition:

- Your works must be in vegetable dyes and the materials used must come from natural fibers.

-**Submit** to: [forum@couleur-garance.com](mailto:forum@couleur-garance.com)

-**Subject:** Artwork Submission (Name)

-All projects must be submitted before June 30, 2013 and accompanied by the attached form (description of your artist message, your technique and minimum 300 jpg photos).

- The works will be selected by a panel of professionals and we shall give you the list of selected candidates no later than July 15.

For your information, our **showroom size is 140 m<sup>2</sup>**, with a south orientation. The works will neither be sold nor leased by Couleur Garance but the association provides security as well as the possibility of contact between artists and buyers throughout the duration of the exhibition.

We remain at your disposal for any further information and we hope to see you at the Forum: this will be a moment of sharing and fun, with vegetable colours... of course!
